1

2 Front side window (with flat tip clip)

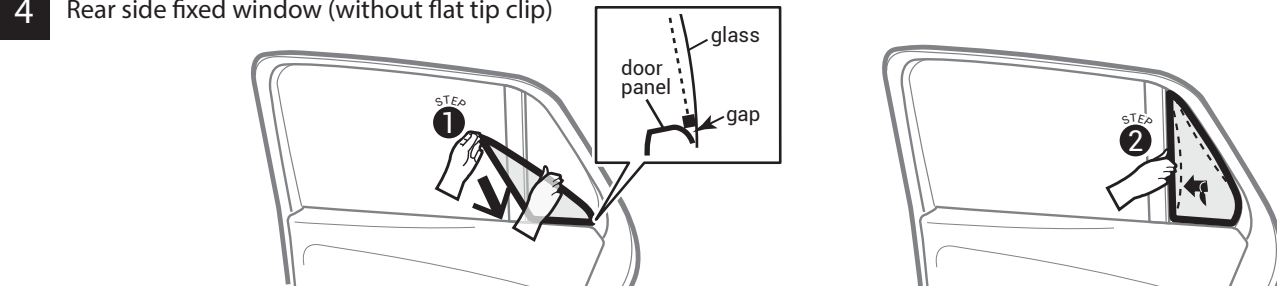

3 Rear side retractable power window (with flat tip clip)

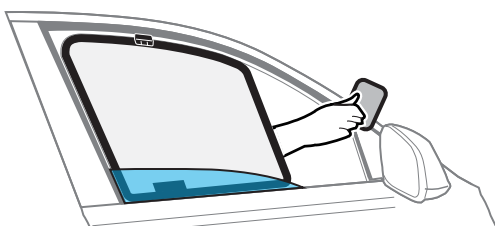

(*Not applicable for models with built in side shades.)

4 Rear side fixed window (without flat tip clip)

(*Not applicable for models with built in side shades.)

If there is a need to retract the window down to access parking ticket machines, only retract the window partially.

This is to avoid the shade from falling off if the sun shade is accidentally nudged by the arm.

⚠ AVOID use of sunshade when driving vision is impaired
