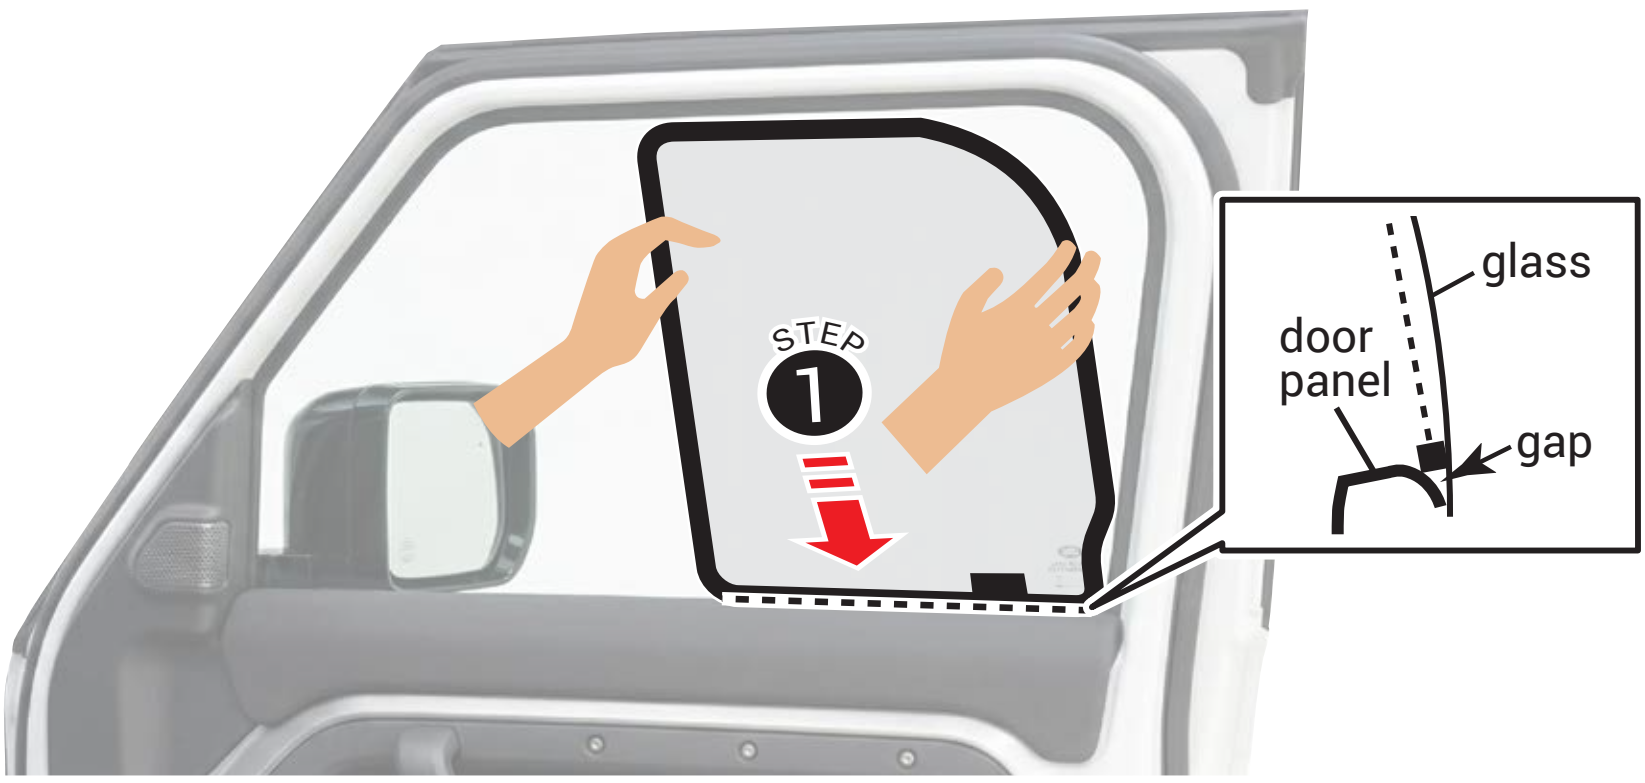
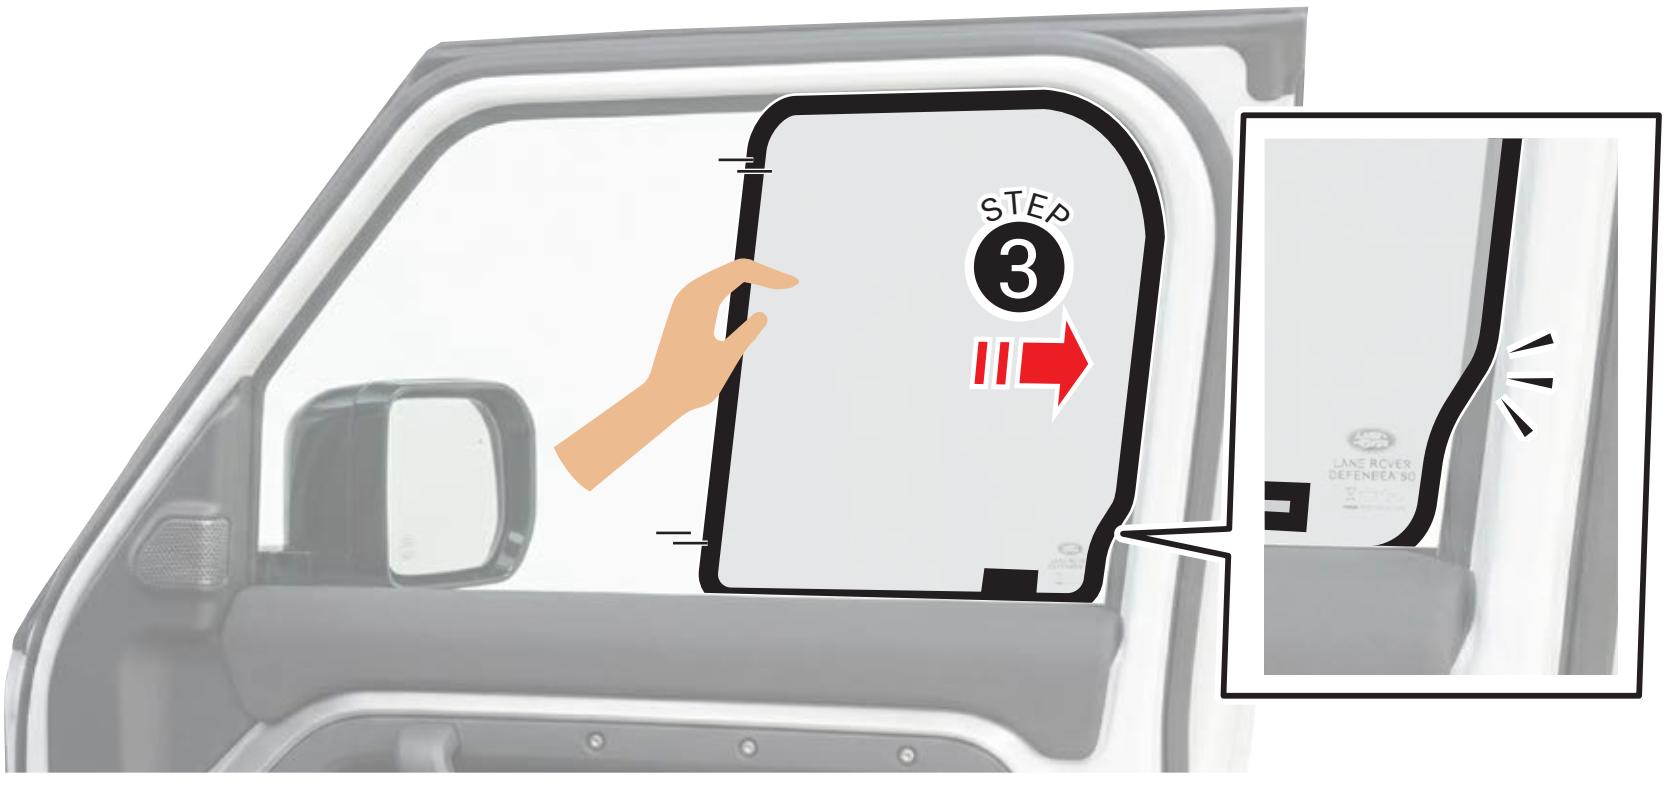
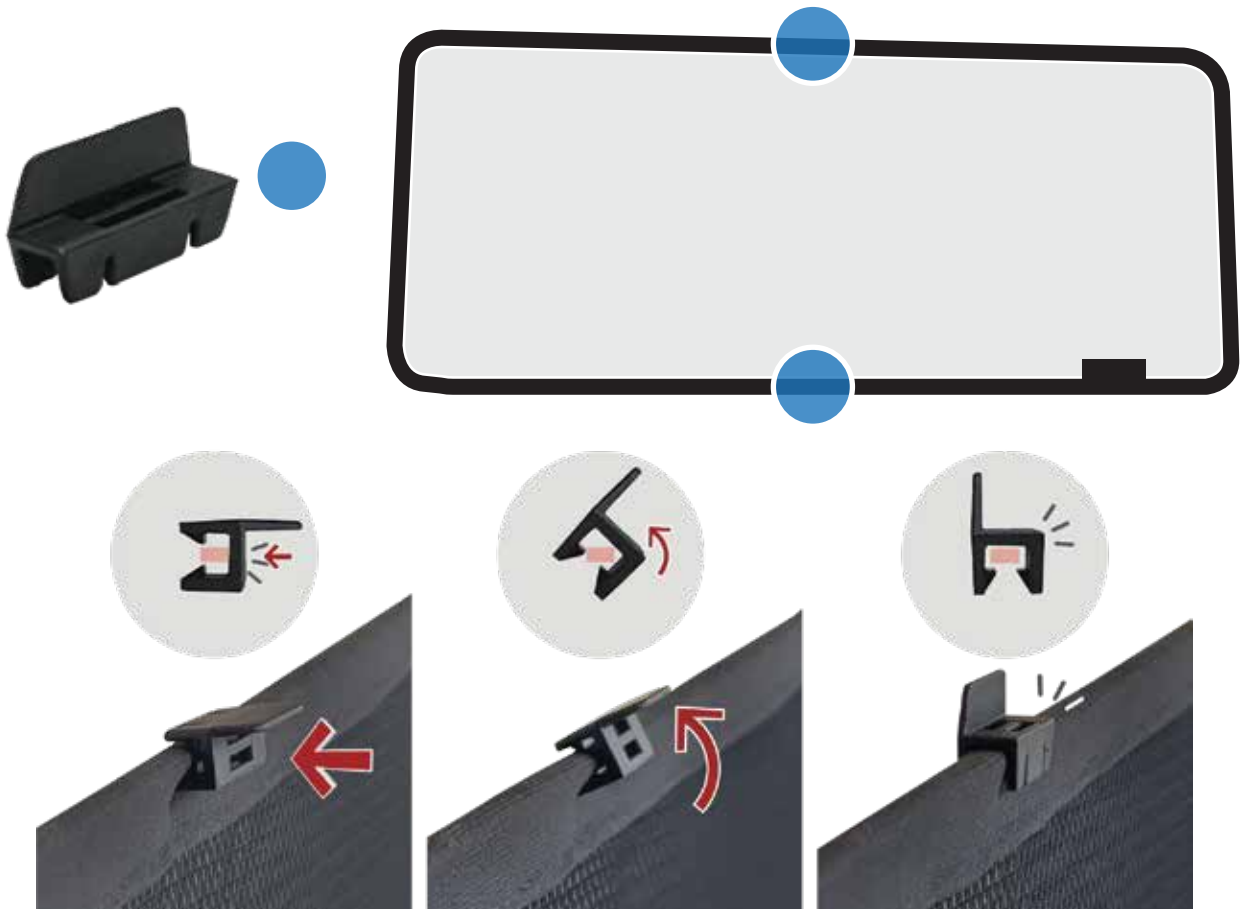
(P.5)

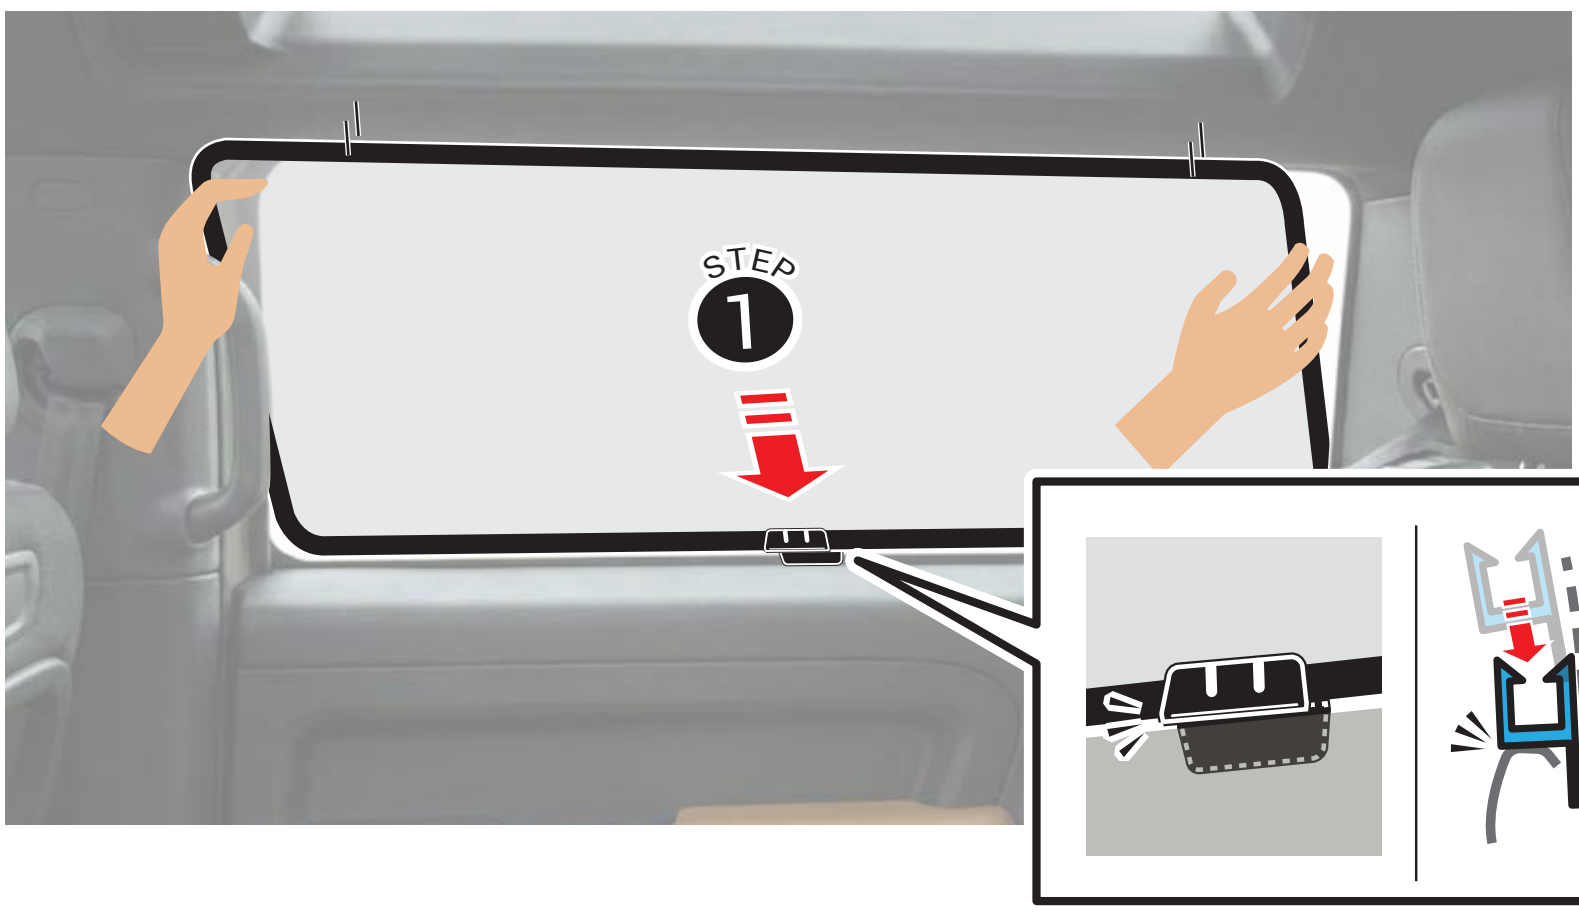
Front side window

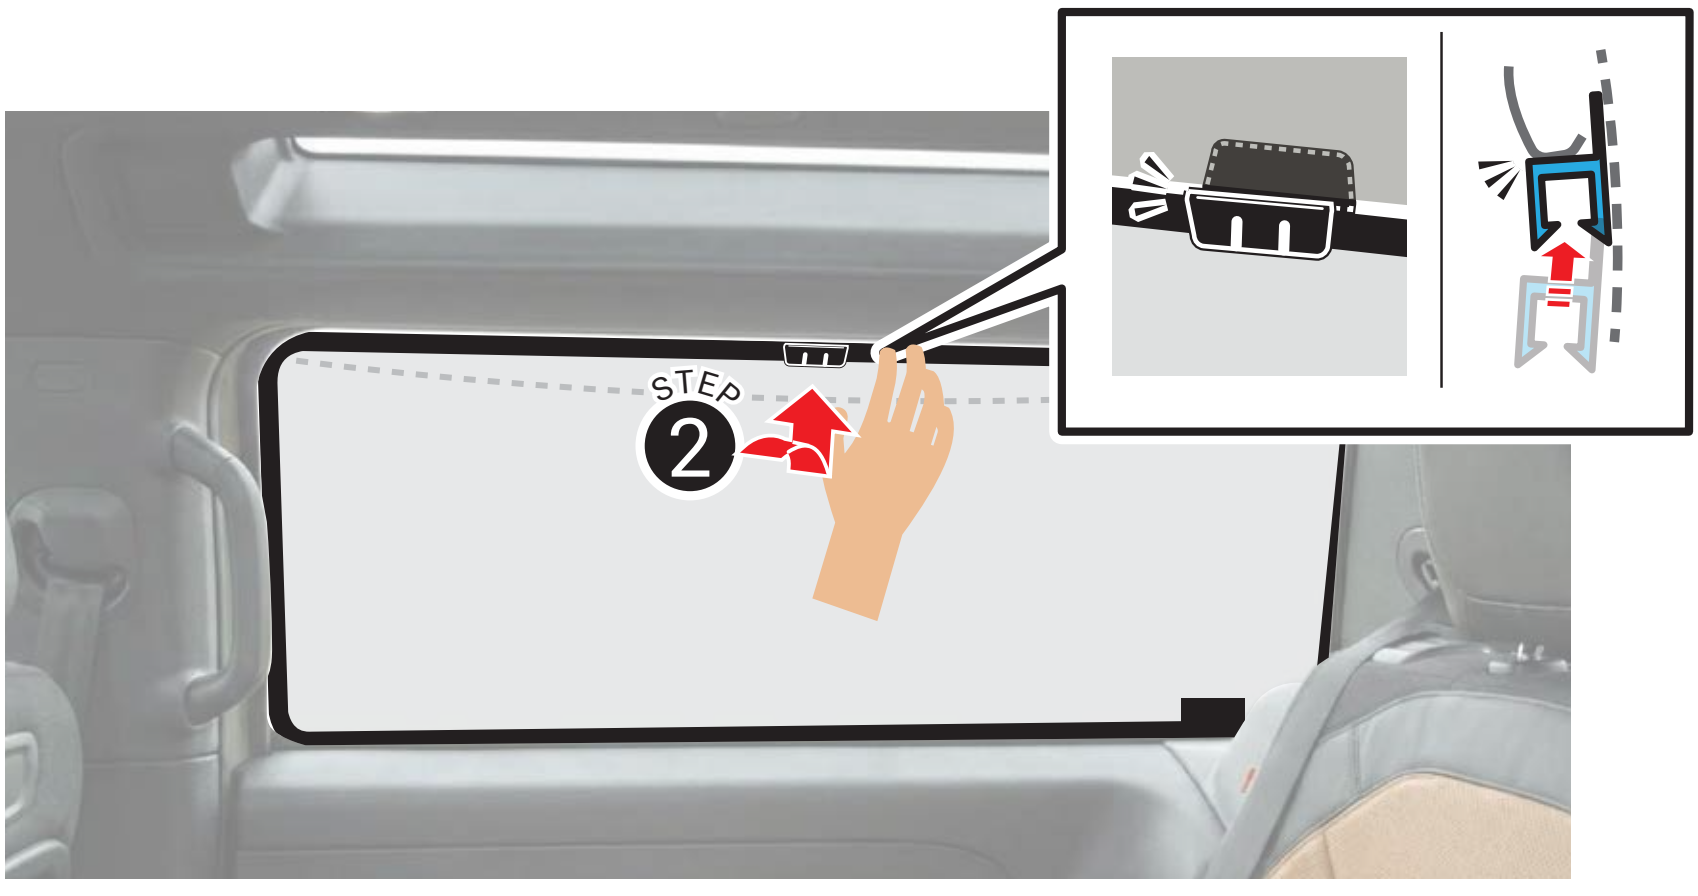


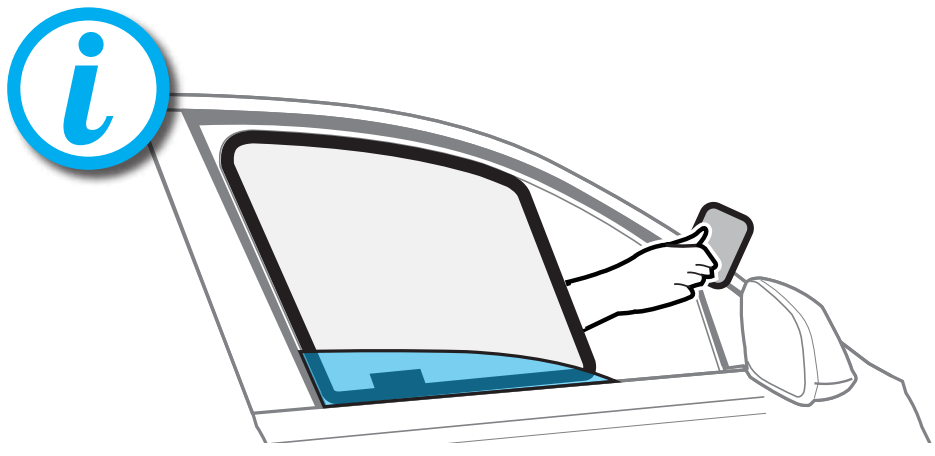


Rear panel (with flat tip clip)









"If there is a need to retract the window down to access parking ticket machines, only retract the window partially.

This is to avoid the shade from falling off if the sun shade is accidentally nudged by the arm."

⚠ AVOID use of sunshade when driving vision is impaired

Snap On Installation Made Easy

We at Groovy Shades value creativity and will pursue all legal avenues at our disposal to protect our product worldwide.
